

27th West Bengal State Science & Technology Congress, 2020

28th - 29th February, 2020, Science City, Kolkata

Organised by

Department of Science and Technology and Biotechnology, Government of West Bengal

All Outstanding Paper Award Winners from the Three regional Science & Technology Congresses, 2019 are requested to attend the 27th West Bengal State Science & Technology Congress, 2020 at Science City Kolkata as per the schedule mentioned in individual email sent to all concerned.

Guidelines for preparing the power point presentation

The Department wants to explore the possibilities of formulating Implementation Oriented projects, with relevance to the State/community, and if applicable, patenting of the outcome on the basis of the papers presented in these Congresses. In this connection the authors of the Papers to be presented in the State Science Congress are requested to submit a two page (A4) write up for further evaluation. The writeup highlighting the basic objective(s) of the research undertaken and the possibilities of formulating Implementation Oriented projects, with relevance to the State/community, and if applicable, possibility of patenting of the outcome of the paper may be send to wbsstcpaper@gmail.com with the Subject "Writeup | Name: _____ | Sub.: _____ | Region: _____" by 23rd February, 2020.

The presenters are requested to include the following in the power point presentation:

1. Summary of the presentation made in the Regional Science Congress.
2. Comments of the Judges and corrections made thereof.
3. Findings and scope with regard to the introductory paragraph above.
4. The basic objective(s) of the research undertaken and the possibilities of formulating Implementation Oriented projects, with relevance to the State/community, and if applicable, patenting of the outcome of the paper.
5. The presentation will be maximum of 8 minutes followed by 2 minutes of interaction. However, this can be modified depending upon time available and number of presenters actually present.

The selection of the awardees in the State Science Congress will be based on the above points.
