Title of the Paper Should Be Given Here

[1]Author name, [2]Author name* and [3]Author name,
[1]Affiliation
[2]Affiliation
[3]Affiliation
*Presenting author e-mail

The abstract of the paper is to be given here. A template (link) is provided for preparing the abstracts of unpublished research work in English only within 200 words. Abstracts exceeding the word limit and not prepared in the prescribed format will be summarily rejected and will not be considered for evaluation. The Title will be in Times New Roman, bold, 14 font size and to be written in proper case. Author(s) name and affiliation(s) to be provided in Times New Roman, italics, 11 font size and affiliation(s) to be provided in Times New Roman, italics, 10 font size. The presenting author should be marked with * after the last name. The email of the presenting author to be written in Times New Roman, italics, 9 font size and should be present just below the last line of affiliation(s). The fonts of the body will be in Times New Roman, plain, 12 sized. Abstract should not contain any reference or keywords. The page size will be A4 with margin of 6cm in the left side and 5 cm on the remaining sides. Both the word and pdf file are to be uploaded in the website for the completion of registration.
